

# Travel smart in the Netherlands

Enjoy your stay, but follow the rules. That way we all stay healthy and safe.

If you have COVID-19 symptoms, stay in your accommodation and get tested:

Phone  
0800-1202  
to make an appointment.

Always stay 1.5 metres away from other people.

Wash your hands often.

Avoid overcrowded places.

People arriving from high-risk countries must self-quarantine for 10 days.

Face masks must be worn on public transport, on coaches and in taxis and are highly advised in public indoor spaces.

Visits to museums and other tourist attractions are by reservation only.

Cafés, restaurants and bars are closed or open for take-away only.

Choose your destination carefully to avoid crowding.
